Mason Autism Support Initiative (MASI)

Fee-Based Program Assistance Application 2022-2023 Academic Year

MASI may provide limited financial assistance to students and families who demonstrate a need to defray associated program costs. The financial assistance will help to off-set the cost of the program; it will not cover the full fee. To be considered for financial assistance, please complete the following application and essay. Financial assistance will consist of a 1-year allotment. By completing this application, you give consent to have information reviewed by MASI/Disability Services staff. Information disclosed will be kept confidential.

Applications will not be reviewed until the MASI admissions process is completed and the student selection process is finalized. Admission into the program is not impacted by a student's financial need. Students will be notified if they are receiving financial assistance prior to the MASI decision deadline. Applications must be received by April 11, 2022. Decisions will be made by April 20, 2022.
